### About me

Curious by nature, I took my first steps in the world of programming when I was just 11 years old. Since then, I have always stood out for my commitment and dedication, always looking to exceed the expectations of the projects I am part of.

I am committed to leveraging my skills and knowledge to drive the company's growth and success by delivering innovative solutions, while continuously advancing my professional development and expanding my expertise.

### Experience

March 2025 - Today    **Software Developer** - Weber Solutions S.L

- Integrate RESTful APIs and third-party services into applications (.NET & Blazor).
- Write clean, efficient, and maintainable code following industry best practices and standards.
- Debug and resolve technical issues, ensuring optimal performance and user experience.
- Participate in code reviews to learn from feedback and improve coding skills.

### Education

2023 - 2025    **CFGS - Cross-platform app development**  
CES Juan Pablo II    Average: 10 (Honors)  
+ Academic excellence award

2021 - 2023    **Baccalaureate of Science**
